EXHIBIT A

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA**

THOMAS HODGES, HALEYRAE CANNELL,
DANIELLE BENEDICT, CHRISTOPHER
BRITTON, XE DAVIS, AND EMILY HOZA,
individually and on behalf of all others
similarly situated,

Plaintiffs,

v.

GOODRX HOLDINGS, INC.,

Defendant.

Case No. 1:23-cv-24127-BB

**DECLARATION OF JONATHAN B. COHEN IN SUPPORT OF
PLAINTIFFS' UNOPPOSED MOTION FOR PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENT**

I, JONATHAN B. COHEN, declare as follows:

1. I am over 18 years of age, and I have personal knowledge of the facts stated herein.
2. I am a partner in the law firm of Milberg Coleman Bryson Phillips Grossman, PLLC ("Milberg"), I am counsel for Plaintiffs Thomas Hodges, HaleyRae Cannell, Danielle Benedict, Christopher Britton, Xe Davis, and Emily Hoza (collectively, "Plaintiffs") and putative Settlement Class Members in this action.
3. I am fully familiar with the facts alleged herein as well as the pleadings and proceedings in the above-referenced action.
4. If called to testify regarding the facts set forth in this declaration, I could and would testify competently thereto.

5. I submit this declaration in support of Plaintiffs’ Unopposed Motion for Preliminary Approval of Class Action Settlement (the “Motion”).

Putative Class Counsel’s Experience

6. Plaintiffs’ Counsel here is “qualified, experienced, and generally able to conduct the proposed litigation.” *Steinberg v. Chicago Med. Sch.*, 69 Ill.2d 320, 339 (1977). Since Milberg's founding in 1965, it has repeatedly taken the lead in landmark cases that have set groundbreaking legal precedents, prompted changes in corporate governance, and recovered over \$50 billion in verdicts and settlements.¹ Milberg has been instrumental in obtaining precedent-setting decisions at every level, including at the United States Supreme Court.² The firm pioneered federal class action litigation and is widely recognized as a leader in defending the rights of victims of corporate and other large-scale wrongdoing. Milberg has more than 80 attorneys and has offices across the U.S. and the European Union.

9. I became licensed to practice law in the State of Florida in 2006 and have at all times been a member in good standing. I have also prosecuted class actions involving data breaches, privacy violations, defective products, deceptive products,

13. I have also successfully litigated privacy class actions through class certification. *See Zyburow v. NCSPlus, Inc.*, Case No. 12-cv-6677 (S.D.N.Y. Sept. 16, 2014) (where Mr. Cohen successfully argued for certification of an opposed class consisting of all persons in the United States whose cellular telephones were called by the defendant in violation of the TCPA, which was certified and subsequently settled on a class basis for \$1,800,000).

14. I also served as counsel for the court-appointed receiver in the Ponzi scheme-related matter of *Wiand v. Wells Fargo Bank, et al.*, Case No. 8:12-cv-557-T-27EAJ (M.D. Fla.).

15. In short, I and my partners at Milberg have substantial experience handling a variety of consumer class actions, including those pertaining to data privacy and security cases, including some of the largest data privacy litigation in the United States. *See, e.g., In re: Blackbaud Data*

Privacy MDL No. 2972 (D. S.C.) (where Milberg serves as interim class counsel in a major privacy involving millions of consumers).

Litigation Background

16. In or around March 2023, my law firm contacted Defendant GoodRx Holdings, Inc. (“Defendant” or “GoodRx”) and advised that we had been retained by approximately 2,800 GoodRx customers, including Plaintiffs, and that each intended to pursue individual arbitration against GoodRx for violating state and federal wiretapping statutes, consumer protection laws, and common law privacy rights by allegedly intercepting and sharing Plaintiffs and Class Members’ personal and health information – without their consent – with third parties through its implementation and usage of Internet tracking technologies supplied by third parties, including pieces of code known as SDKs (defined below) and tracking pixels that were installed on Defendant’s website GoodRx.com (“Website”). GoodRx denied each of the alleged violations.

17. Before and after contacting GoodRx regarding this matter, my firm researched and investigated the legal theories, claims, and potential damages to be pursued against GoodRx. Following our investigation, my firm reached out to GoodRx to discuss whether it was interested in scheduling a mediation in order to explore the potential resolution of all of Milberg’s clients’ claims.

18. GoodRx’s counsel subsequently communicated to Milberg that GoodRx was interested in scheduling a mediation to discuss the potential resolution of Milberg’s clients’ claims. As a result, a full-day mediation was scheduled and held on August 11, 2023 with an experienced and highly reputable mediator, Bennett G. Picker, Senior Counsel of Stradley Ronon, and the Parties exchanged information. At the conclusion of this lengthy and contentious mediation session, the Parties did not reach a settlement. As a result, a second mediation session was held

and multiple phone conferences occurred between the Parties – all facilitated by the mediator. Ultimately, the Parties agreed upon a term sheet for the framework of a class action settlement and agreed to continue negotiating the details of a class settlement.

19. Following agreement regarding the content of the term sheet, the Parties continued negotiating the details of this class action settlement and, without delay, proceeded to draft, finalize, and execute the Settlement, Notice and Claim Forms, as well as the motion for preliminary approval submitted to the Court.

20. Plaintiffs’ Counsel worked with the putative Class Representatives throughout the process of preparing and litigating this matter, each Class Representative has been an active participant throughout the process, and none of the Class Representatives have conflicts with the Settlement Class.

21. The Class Complaint filed with this Court is brought on behalf of a putative class consisting of all natural persons in the United States who used any website, app, or service made available by or through GoodRx at any point prior to October 27, 2023. Within their Class Complaint, Plaintiffs allege (1) Violation of the Electronic Communications Privacy Act (“ECPA”), 18 U.S.C. §§ 2511(1), *et seq.*; (2) Invasion of Privacy Under Common Law – Intrusion Upon Seclusion; (3) Violation of the California Invasion of Privacy Act (“CIPA”), Cal. Penal Code §§ 630, *et seq.*; (4) Invasion of Privacy Under California’s Constitution; (5) California Common Law Invasion of Privacy – Intrusion Upon Seclusion; (6) Violation of the Unfair Competition Law – Unfair and Unlawful, Cal. Bus. & Prof. Code §§ 17200, *et seq.*; (7) Violation of the Confidentiality of Medical Information Act, Cal. Civ. Code § 56.06; (8) Violation of the Confidentiality of Medical Information Act, Cal. Civ. Code § 56.10; (9) Violation of the Confidentiality of Medical Information Act, Cal. Civ. Code § 56.101; (10) Violation of the

Confidentiality of Medical Information Act, Cal. Civ. Code § 56.36; (11) Violation of the California Consumers Legal Remedies Act, Cal. Civ. Code. §§ 1750, *et seq.* (“CLRA”); (12) Violation of the Pennsylvania Wiretapping and Electronic Surveillance Control Act (“WESCA”), 18. Pa. C.S. § 5725; (13) Violation of the Florida Security of Communications Act (“FSCA”), Fla. Stat. §§ 934.01, *et seq.*; (14) Invasion of Privacy Under New Jersey’s Constitution; (15) Violation of New York Civ. Rights Laws §§ 50, 51; (16) Violation of the Security Breach and Notification Act, § 12:18 (The New York SHIELD Act); (17) Violation of New York General Business Law § 349; (18) Violation of the Illinois Consumer Fraud and Deceptive Business Practices Act, 815 Ill. Comp. Stat. Ann. §§ 505/1, *et seq.*; (19) Negligence Per Se; (20) Common Law Negligence; and (21) Unjust Enrichment/Quasi-Contract and seek an order for statutory, actual, compensatory, consequential, punitive, and nominal damages, declaratory relief, equitable relief, injunctive relief, litigation expenses and attorneys’ fees, and such other relief as the Court deems just and proper.

22. After a great deal of contentious, arm’s-length negotiations, the Parties agreed on a Settlement Class defined as: all natural persons in the United States who used any website, app, or service made available by or through GoodRx at any point prior to October 27, 2023 (the “Class Period”). It is intended that the Class include both minors and adults and all will be treated the same under the terms of the Settlement. Excluded from the Settlement Class are: (1) Defendant; (2) Defendant’s affiliates; (3) Defendant’s parents; (4) Defendant’s subsidiaries; (5) Defendant’s officers; (6) Defendant’s directors; (7) any persons or entities who or which validly exclude themselves from the Settlement Class (the “Opt-Outs”); (8) the judges presiding over this matter; and (9) the clerks of said judges.

23. GoodRx has communicated to Plaintiffs' counsel that the Settlement Class includes millions of persons nationwide during the Class Period, including an estimated 16.7 million persons for whom GoodRx has email addresses that can be used for direct notice.

24. Under the negotiated terms of the Settlement Agreement, attached hereto as **Exhibit A-3**, GoodRx will contribute \$13 million to a non-reversionary common fund (the "Settlement Fund") with pre-funding in the amount of \$500,000 to be paid into an escrow account within fourteen (14) days after the entry of the Preliminary Approval Order for the purpose of paying Notice and Settlement Administration Costs incurred prior to entry of the Final Approval Order and Final Judgment.

25. Per the terms of the Settlement Agreement, an amount of twelve million five hundred thousand dollars and no cents (\$12,500,000), minus the amount of the Attorneys' Fees and Expenses Award that is approved by the Court will be paid by Defendant to the Settlement Fund and deposited in an escrow account within fourteen (14) days of the entry of the Final Approval Order.

26. Pursuant to the terms of the Settlement Agreement, the Settlement Fund will be used to pay settlement benefits to the Settlement Class, as well as to pay for settlement administration and any Attorneys' Fees and Expenses Award granted by the Court.

27. Under the terms of the Settlement, in exchange for the Settlement benefits, Settlement Class Members will release as against Defendant and any and all of the Released Parties (as defined in the Settlement Agreement), any and all past, present, and future claims, counterclaims, lawsuits, set-offs, costs, expenses, attorneys' fees and costs, losses, rights, demands, charges, complaints, actions, suits, causes of action, obligations, debts, contracts, penalties, damages, or liabilities of any nature whatsoever, known, unknown, or capable of being

known, in law or equity, fixed or contingent, accrued or unaccrued, and matured or not matured that arise out of, or are based upon or connected to, or relate in any way to the Data Disclosure or Defendant's use of Pixels, SDKs, cookies, APIs, or any similar technologies, or that were or could have been asserted in the Litigation (the "Release").

28. However, the Release does not include any claims regarding the enforcement of the Settlement Agreement.

29. After discussing the parameters of the Notice plan and requesting and reviewing an estimate, the Parties agreed to have Kroll serve as the Settlement Administrator.

30. Under the terms of the Notice plan, within fourteen (14) days after the entry of the Preliminary Approval Order, Defendant will provide Kroll with the names and email addresses known to Defendant for the Settlement Class Members. Within forty-five (45) days following entry of the Preliminary Approval Order (the "Notice Date"), the Settlement Administrator will email the Email Notice and the Claim Form to all Settlement Class Members for whom an email address is available.

31. Further, under the terms of the Notice plan, by no later than the Notice Date, the Settlement Administrator will also commence the Publication Notice.

32. The Notice plan also requires the Settlement Administrator to be responsible for creating a Settlement Website and maintaining and updating the website throughout the claim period, with the forms of Short (Email) Notice, Long Notice, and Claim Form approved by the Court, as well as the Settlement Agreement, the operative Complaint, and any other materials agreed upon or requested by the Court.

33. Under the terms of the Settlement Agreement, Settlement Class Members will be able to submit Claim Forms through the mail or electronically via the Settlement Website if they choose to do so.

34. The timing of the claims process has been structured to ensure that all Settlement Class Members will have adequate time to review the terms of the Settlement, submit a Claim Form, and decide whether or not to opt-out or object.

35. Under the terms of the Settlement Agreement, Settlement Class Members will have sixty (60) days from the Notice Date to submit their Claim Forms to the Settlement Administrator, either by mail or through the Settlement Website.

36. It will be the responsibility of the Settlement Administrator to determine whether a Claim Form submitted by a Settlement Class Member is approved. The Administrator may contact any person who submits a Claim Form in order to obtain additional information necessary to verify the Claim Form.

37. Both Class Counsel and Defendant's Counsel shall be entitled to challenge the Settlement Administrator's acceptance or rejection of a Claim Form submitted by a Settlement Class Member, and the Settlement Administrator shall follow any joint decisions of Class Counsel and Defendant's Counsel as to the validity of any disputed submitted Claim Form. If and when Class Counsel and Defendant's Counsel disagree as to the validity of a submitted Claim Form, the Settlement Administrator will resolve the dispute and the Claim Form will be treated in the manner designated by the Settlement Administrator.

38. All approved claims will be paid within forty-five (45) days of the Effective Date.

39. All Settlement Class Members who want to opt out of the Settlement will have until sixty (60) days after the Notice Date to provide written notice that they would like to be excluded

from the Settlement Class. Each Settlement Class Member wanting to opt out of the Settlement Class must individually sign and timely submit written notice of such intent (“Request for Exclusion”) to the designated Post Office box established by the Settlement Administrator. The written notice must clearly identify the individual Person wishing to opt out of the Settlement Class and must manifest the Person’s intent to opt out of the Settlement Class. The Settlement Administrator will be responsible for creating a dedicated email address to receive exclusion requests electronically. Any request to be excluded that does not include all of the above-listed information, or that is sent to an address other than that designated in the Notice, or that is not postmarked or received by the Objection/Exclusion Deadline, or which otherwise does not comply with the requirements set forth in the Settlement Agreement, shall be invalid, and the person(s) submitting such a request shall remain a member(s) of the Settlement Class and shall be bound as a Settlement Class Member by the Settlement Agreement, if approved.

40. All Settlement Class Members who want to object to the terms of the Settlement Agreement must do so in writing and must send any objections to the Settlement Administrator within sixty (60) days from the Notice Date. The written objection must include: (i) the Settlement Class Member’s full name, current address, telephone number, and email address; (ii) the Settlement Class Member's original signature; (iii) proof or an attestation that the Settlement Class Member is a member of the Settlement Class; (iv) whether the objection applies only to the Settlement Class Member, to a specific subset of the Settlement Class, or to the entire Settlement Class; (v) a statement of the legal and factual basis for the Objection; (vi) copies of any documents that the Settlement Class Member wishes to submit in support of his/her position; (vii) identification of all counsel representing the Settlement Class Member, if any; (viii) the signature of the Settlement Class Member’s duly authorized attorney or other duly authorized representative,

if any, along with documentation setting forth such representation; and (ix) a list, including case name, court, and docket number, of all other cases in which the objecting Settlement Class Member and/or his/her counsel has filed an objection to any proposed class action settlement in the past three (3) years.

41. Further, if the objecting Settlement Class Member intends to appear at the Final Approval Hearing at his/her own expense, either with or without counsel, he/she must file a notice of appearance with the Court and serve the notice on Class Counsel and Defendant's Counsel by the Objection Deadline.

42. If the objecting Settlement Class Member intends to appear at the Final Approval Hearing through counsel, he or she must also identify: (i) the attorney(s) representing the objecting Settlement Class Member who will appear at the Final Approval Hearing by including counsel's name, address, phone number, email address, the state bar(s) to which counsel is admitted, as well as associated state bar numbers; (ii) any witnesses he or she may seek to call to testify (including the Settlement Class Members) at the Final Approval Hearing; and (iii) all exhibits he or she intends to seek to introduce into evidence.

43. Significantly, the Parties did not discuss the payment of attorneys' fees, litigation costs and expenses ("Fee Award" as defined in the Settlement Agreement) at any point or in any capacity during Settlement negotiations. Only after the substantive terms of the Settlement had been agreed upon did Class Counsel address fees for the purpose of limiting its petition for attorneys' fees to no more than thirty-five percent (35%) of the Settlement Fund, plus the reimbursement of Class Counsel's expenses.

44. Class counsel's attorneys' fees and expenses will be paid from the Settlement Fund upon any Fee Award by the Court. If the Fee Award is lowered or the Settlement is disapproved

by a final non-appealable order, any funds paid to Class Counsel for attorneys' fees and expenses will remain in the Settlement Fund for distribution to Settlement Class Members. Significantly, the Settlement is not conditioned upon any Fee Award to Class Counsel, and any objection to or appeal from such a Fee Award will not affect the finality of the Settlement or the judgment of dismissal. Plaintiffs will submit a request for a Fee Award at least fifteen (15) days prior to the Objection/Exclusion Deadline.

45. As set forth above in paragraphs 7, 11, 12, and 13, Plaintiffs' counsel have extensive experience in data privacy and consumer class actions and the results obtained by this Settlement further confirm counsel's adequacy.

46. At the beginning of our investigation, my law firm conducted extensive research regarding Plaintiffs' claims, including the technical aspects of the GoodRx Platform and its privacy implications. The Parties only entered into the Settlement after both sides were fully apprised of and had assessed the facts, risks, and obstacles involved with protracted litigation.

47. Only after performing our research and investigation did Milberg undertake the significant task of retaining over 2,800 potential claimants to pursue individual arbitrations against GoodRx. This endeavor included vetting each client to ensure he or she had potential claims against GoodRx. After my firm retained over 2,800 claimants, we contacted GoodRx to advise that the claimants would be filing individual arbitrations regarding GoodRx's alleged violations of state and federal wiretapping and privacy laws in connection with GoodRx's use of tracking technology across the GoodRx Platform. Class Counsel and GoodRx then engaged in discussions about the merits of Plaintiffs' claims.

48. The culmination of this process led to an agreement to mediate the case with respected mediator Bennett G. Picker. Prior to mediation, the Parties fully briefed the relevant

issues, including the strengths and weaknesses of their cases as to the merits and class certification. The mediation lasted two full days over the course of several weeks. It was highly adversarial, non-collusive, and conducted at arm's length and resulted in a term sheet.

49. Even after reaching an agreement on the central terms of any settlement, the Parties continued negotiating and drafting the finer points of the Settlement Agreement over a period of months until the agreement before this Court was finally reached. Given this fact, in combination with counsel's extensive experience in privacy litigation and class actions, the Parties were able to enter into settlement negotiations with a comprehensive understanding of the strengths and weaknesses of the case, as well as the potential value of the claims.

50. Based upon Plaintiffs' counsel's experience in this practice area and in similar cases, it is the position of Plaintiffs' counsel that the Settlement is fair, reasonable, and adequate, and in the best interests of the Settlement Class. Plaintiffs' counsel also believe that the benefits of the Settlement far outweigh the delay and considerable risk of proceeding to trial.

51. Per the Notice plan, the Settlement Administrator will provide Notice to the Settlement Class via email to those Settlement Class Members for whom GoodRx has email addresses and via publication Notice through online banner advertisements, and a Settlement Website where Settlement Class Members can view relevant documents, submit their claims, or get answers to frequently asked questions.

that I verily believes the same to be true. Executed in Tampa, Florida on this 27th day of October, 2023.

Practice Areas

Antitrust & Competition Law

Today, on a global scale, consolidated corporate entities exercise dominating market power, but proper enforcement of antitrust law ensures a fair, competitive marketplace. Milberg prosecutes complex antitrust class actions against large, well-funded corporate defendants in healthcare, technology, agriculture, and manufacturing. Our leading practitioners successfully represent plaintiffs affected by price-fixing, monopolization, monopoly leveraging tying arrangements, exclusive dealing, and refusals to deal. The firm continues aggressively vindicating rights of plaintiffs victimized by antitrust violations, holding companies accountable for anticompetitive behavior.

Complex Litigation

With 50 years of vetted success, Milberg handles complex, high-stakes cases at any stage of the litigation process. Our attorneys have experience litigating complex cases for business and plaintiffs outside of class action context, business torts, contract disputes, anti-SLAPP motions, corporations, LLCs, partnerships, real estate, and intellectual property. The repeated success of our attorneys against well-funded adversaries with top-tier counsel has established Milberg as the go-to firm for complex litigation.

Consumer Products

Milberg's consumer litigation group focuses on protecting victims of deceptive marketing and advertising of goods and services, or those who have bought defective products. Our attorneys are experienced in handling a wide array of consumer protection lawsuits, including breach of contract, failure to warn, false or deceptive advertising of goods and services, faulty, dangerous, or defective products, warranty claims, unfair trade practices, and notable product cases. Milberg has achieved real-world recoveries for clients, often requiring corporations to change the way they do business. Our team of attorneys has extensive experience representing plaintiffs against well-resourced and sophisticated defendants.

Consumer Services

Consumers have rights, and companies providing consumer services have a legal obligation to abide by contractual agreements made with customers. Companies must also follow state and federal laws that prohibit predatory, deceptive, and unscrupulous business practices. Milberg's Consumer Services litigation group protects consumers whose rights have been violated by improperly charged fees, predatory and discriminatory lending, illegal credit reporting practices, and invasion of privacy. We also enforce consumer rights by upholding The Fair Credit Reporting Act and Telephone Consumer Protection Act.

Class Action Lawsuits

Milberg pioneered federal class action litigation and is recognized as a leader in defending the rights of victims of corporate and large-scale wrongdoings. We have the manpower, resources, technology, and experience necessary to provide effective representation in nationwide class action lawsuits. Our attorneys have led class actions resulting in settlements up to billions of dollars across a variety of practice areas, including defective consumer products, pharmaceutical drugs, insurance, securities, antitrust, environmental and toxic torts, consumer protection, and breach of contract.

Dangerous Drugs & Devices

For some patients, medication and medical devices improve their lives. For others, the drugs and equipment have questionable benefits, at best, and serious, unintended side effects at worst. Taking on drug and device makers requires a law firm that can stand up to the world's largest, most powerful companies. Our defective drug lawyers have held leadership roles in many national drug and device litigations, recovering billions of dollars in compensation.

Data Breach, Cyber Security & Biometric Data Lawsuits

Technology changes faster than laws regulate it. Staying ahead of legal technical issues requires a law firm that can see the full picture of innovation and apply past lessons to navigate fast-moving developments, putting consumers ahead of corporate interests. Our data breach and privacy lawyers work at the cutting edge of technology and law, creating meaningful checks and balances against technology and the companies that wield it. Cyber security threats continue evolving and posing new consumer risks. Milberg will be there every step of the way to protect consumer privacy and hold big companies accountable.

Environmental and Toxic Torts Litigation

Litigation is key in fighting to preserve healthy ecosystems and hold environmental lawbreakers accountable. But in today's globalized world, pollutants—and polluters—are not always local. Corporations have expanded their reach and ability to cause harm. Our environmental litigation practice focuses on representing clients in mass torts, class actions, multi-district litigation, regulatory enforcement, citizen suits, and other complex environmental and toxic tort matters. The companies involved in harmful environmental practices are large, wealthy, and globally influential, but as an internationally recognized plaintiffs' firm, Milberg has the strength and resources to present clients seeking to enforce their environmental rights against well-financed corporations—wherever they operate.

Finance & Insurance Litigation

Big banks and public insurance firms are obligated by their corporate charters to put shareholders' interests ahead of client interests. However, that doesn't mean they can deceive clients to profit at their expense. Milberg's attorneys handle hundreds of insurance-related disputes, including first party bad faith insurance cases, business interruption cases, and hurricane insurance cases. As one of the nation's top class action law firms, we are well-positioned to pursue insurance bad faith cases on a statewide or nationwide basis.

Public Client Representation

The ability of governments to serve and protect their residents is often threatened by the combination of lower revenues and rising costs. Budget shortfalls are increasing in part because private companies externalize costs, but while corporate profits grow, public interest pays the price. Effectuating meaningful change through litigation, Milberg partners with state and local governments to address the harms facing its residents. Internationally, Milberg's Public Client Practice has achieved success against global powerhouse corporations, including drug, tobacco, mining, and oil and gas companies.

Securities Litigation

Over 50 years ago, Milberg pioneered litigation claims involving investment products, securities, and the banking industry by using class action lawsuits. Our litigation set the standard for case theories, organization, discovery, methods of settlement, and amounts recovered for clients. Milberg continues to aggressively pursue these cases on behalf of institutional and individual investors harmed by financial wrongdoing. Inventors of securities class actions, Milberg has decades of experience holding companies accountable both in the United States and globally.

Whistleblower & Qui Tam

Blowing the whistle on illegal or unethical conducted is a form of legally protected speech. Milberg's whistleblower attorneys have led actions that returned hundreds of millions of dollars in ill-gotten gains, resulting in significant awards of our clients. Our legacy of standing up to corporate power extends to advocating for greater transparency. In addition to representing whistleblowers, we fight back against corporate-backed laws seeking to deter them from making disclosures.

R. GLENN PHILLIPS is a managing partner at Milberg and has been practicing law since 1984 and has tried more than 100 civil jury trials. He is a managing partner at Milberg, and director of the firm's global operations. Mr. Phillips has received the highest rating from Martindale-Hubbell (5.0 out of 5.0) and is an AV rated attorney. Mr. Phillips started his legal career representing insureds on behalf of insurance companies, handling primarily wrongful death and product liability cases. In the mid-1990s, he began representing those injured by others, corporations, or by defective drugs and devices. Since then, he has been actively involved in the aggregation and prosecution of large groups of individual clients injured by corporate neglect. Mr. Phillips is a firm believer in the phrase, "leveling the playing field," allowing ordinary citizens to have access to justice through the courts and to being guided by experienced, aggressive, and ethical counsel. Mr. Phillips is a member of the Washington state bar. He is also a member of the American Association for Justice, an Eagle member of the Washington Association for Justice, and the non-profit organization, Public Justice. He is a frequent speaker before such national groups as The National Trial Lawyers, American Association for Justice, and Mass Torts Made Perfect, as well as various state trial lawyer groups.

MARC D. GROSSMAN is a managing partner at Milberg. Since beginning his law career in 1993, Mr. Grossman has focused primarily on representing large groups of plaintiffs against common defendants. In 1999, after six years of practicing plaintiff's personal injury law in state and federal courts in New York and New Jersey, Mr. Grossman founded the law firm of Sanders and Grossman, P.C. specifically to pursue claims on behalf of medical providers. This firm, and its successors, grew dramatically under his leadership, and now represent thousands of medical providers litigating claims against insurance companies, and thousands of injury victims.

Mr. Grossman had a vision of uniting the medical profession by affording them the opportunity to litigate nominal claims that were being written off by medical providers as uncollectible and had not previously been practical for most attorneys to litigate. By coordinating discovery, utilizing the most up-to-date case management technology, and recruiting top office administrators and trial attorneys, Mr. Grossman's firm was able to greatly improve efficiencies throughout the litigation process and ultimately the viability of collecting these claims. By filing over 100,000 individual lawsuits, Mr. Grossman's firms garnered the attention of the insurance industry and the medical profession in New York eventually leading to a series of mass settlements on behalf of his clients and recoveries in the hundreds of millions of dollars. In just 2006 and 2007, Mr. Grossman's firm personally litigated, negotiated, and recovered over 100 million dollars for his medical provider clients. The unique experience Mr. Grossman garnered as an innovator and leader in the mass settlement of medical claims and mass torts made him a leader in his field in negotiating and obtaining large recoveries.

Most recently, Mr. Grossman has represented hundreds of injured clients in lead paint litigations, asbestos litigations, mold litigations, and thousands of victims of defective drugs and products. Mr. Grossman received recognition litigating Vioxx cases in New Jersey Superior Court where he served as a liaison to the media as a member of the Vioxx Plaintiffs' Steering Committee's ("PSC's") Public Relations Committee, and as a liaison for the Committee to many financial institutions and governmental agencies, offering a common voice for the hundreds of attorneys

handling such cases and the tens of thousands of victims they represent. These efforts and the hard work of many other relentless attorneys ultimately led Merck to agree to one of the largest Civil Settlements in American History for \$4.85 Billion.

In December 2010, Mr. Grossman was nominated and invited to join both The Board of Directors of the New York State Trial Lawyers Association and the Executive Committee of Association of Trial Lawyers of America. Mr. Grossman is also a member of the Mass Tort Trial Lawyers Association and the Leaders Forum of the American Association of Justice.

Mr. Grossman has actively litigated for other large groups of plaintiffs in the following matters: *In re Avandia Mktg., Sales Practices and Prods. Liab. Litig.*; *In re N.Y. Bextra and Celebrex Prod. Liab. Litig.* in New York's Supreme Court, New York County; Case No. 273, *In re Bextra and Celebrex Litig.*, Superior Court of New Jersey, Atlantic County; Oxycontin Litigation in New York's Supreme Court, Richmond County; MDL-1708, *In re Guidant Corp. Liab. Litig.* in Ohio; MDL-1789, *In re Fosamax Prods. Liability Litig.* in New York; and MDL-1804, *In Re Stand 'N Seal, Prods. Liability Litig.*, where one of Mr. Grossman's firms serves on the PSC. One of Mr. Grossman's firms is also a court-appointed member of the PSC in the following mass tort litigations: *In Re Avandia*, *In Re Chantix*, *In Re Zicam*, *In Re Zimmer Knee*, *In Re Fosamax*, and the New Jersey state court coordination of Levaquin. One of Mr. Grossman's firms is co-lead in the NY Chantix Coordination and the New Jersey Reglan Coordination, as well as Risperdal in California, all Transvaginal Mesh PSC, and Propecia coordination.

After an \$8 million verdict in *Boles v. Merck* for a victim of Fosamax, Mr. Grossman, along with co-counsel, led the Trial Team in *Rosenberg v. Merck* which was the first bellwether New Jersey Trial in Atlantic County Superior Court. Mr. Grossman has become well known as a speaker and host of approximately 20 educational seminars designed to educate victims, the medical community, and other attorneys. Mr. Grossman has been quoted and has appeared in numerous local and national forums and in the media as a legal commentator and advocate of victims' rights against the corporate greed that plagues our nation. In January 2016, Mr. Grossman received the 2015 Litigator Award a significant distinction, achieved by less than 1% of all trial attorneys. This award is considered among the top honors bestowed on trial attorneys.

Today, Mr. Edwards utilizes his extensive trial experience and diverse background to advocate for personal injury victims and consumers who have suffered damages resulting from dangerous and defective products. Mr. Edwards was selected by fellow members of the Knoxville Bar as a "Top Attorney" in CITYVIEW Magazine's annual Top Attorney's issue. He was selected as a Top Attorney for a second time in 2010. In 2017, Mr. Edwards was named one of the Top 100 Trial Lawyers by the American Trial Lawyers Association. KENT BRONSON is a partner at Milberg and is an experienced and aggressive litigator who has been representing injured stockholders, consumers, and small businesses in complex commercial litigation for over two decades. Mr. Bronson's practice areas include stockholder class action and derivative litigation, mergers & acquisition litigation, consumer fraud litigation, and others. Mr. Bronson was co-lead counsel in *N.J. Carpenters Pension Fund v. infoGROUP, Inc.* (No. 5334-VCN, 2014) in the Court of Chancery of Delaware, a breach of fiduciary duty action involving the 2010 acquisition of infoGROUP, Inc. for approximately \$650 million by a private equity fund.

Among other things, Mr. Bronson researched and wrote an amended complaint ultimately sustained by the Chancery Court in a groundbreaking ruling that the majority stockholder/company founder's desire or need for imminent liquidity raised a strong inference that he had a "disabling" conflict-of-interest in voting on a merger that would give him a \$100-million-plus cash infusion, and also that the founder dominated most of the other directors such that their approval of the merger could not be deemed independent. This case achieved a remarkable \$13 million common fund recovery for the benefit of the class of injured non-insider stockholders. Mr. Bronson was one of the co-lead counsel in *In re Hansen Medical, Inc. S'holder Litigation* (16-CV-294288) in California Superior Court, Santa Clara County, which challenged the fairness of the 2016 sale of Hansen Medical and alleged that it was the product of a severely conflicted and flawed sales process resulting in Hansen's minority stockholders receiving an inadequate price for their Hansen Medical stock. The litigation resulted in a \$7.5 million settlement for the benefit of Hansen's minority stockholders. Mr. Bronson was co-lead counsel in *City of Miami Police Relief & Pension Fund v. Dreier, et. al., and The Ryland Group, Inc.* (BC411143) in California Superior Court, Los Angeles County, a stockholder derivative action for breach of fiduciary duty and other claims against the directors of homebuilder/mortgage lender The Ryland Group, Inc., a Maryland company, arising from systematic Housing & Urban Development ("HUD") regulatory violations in connection with issuance of sub-prime mortgages in the 2000s (the type of conduct resulting in the national housing bubble and subsequent nationwide financial crisis). The plaintiff's complaint, painstakingly researched and crafted by Mr. Bronson, was at the time only the second complaint ever to survive dismissal under the onerous demand futility standard set by Maryland law. This case resulted in a \$1 million recovery for the company as well as significant corporate governance reforms for the benefit of the company and its stockholders. Mr. Bronson is a Thomson-Reuters Super Lawyers® selection from 2013-2020.

individually and on behalf of all others
similarly situated,

Plaintiffs,

v.

GOODRX HOLDINGS, INC.,

Defendant.

Case No. 1:23-cv-24127-BB

CLASS ACTION SETTLEMENT AGREEMENT AND RELEASE

This Class Action Settlement and Release (the “Agreement,” “Settlement Agreement,” or “Class Action Settlement Agreement”) is entered into on October 27, 2023 by and among the Class Representatives¹ (also, the “Plaintiffs”), for themselves individually and on behalf of the Settlement Class, and GoodRx Holdings, Inc. (collectively, the “Parties”).

A. Recitals

1. There is pending in the United States District Court for the Southern District of Florida, an action captioned *Thomas Hodges et al. v. GoodRx Holdings, Inc.*, No 1:23-cv-24127-BB (S.D. Fla.), in which the Class Representatives have alleged that GoodRx improperly shared their Data including through its use of marketing and analytics vendors (the “Litigation”).

2. Specifically, Plaintiffs allege that Defendant has violated state and federal wiretapping statutes, consumer protection laws, and common law privacy rights by allegedly

¹ Except as otherwise specified, capitalized terms shall have the meanings set forth in Paragraph B of this Agreement, titled “Definitions.”

intercepting and sharing certain user Data with its vendors. Plaintiffs allege that Defendant did this through its implementation and usage of Internet tracking technologies supplied by third parties, including pieces of code known as SDKs (defined below) and tracking pixels (further defined as “Pixels” herein), and, when using some sites or applications, certain protected personal and health information would purportedly be disclosed in particular circumstances to specific vendors because of the SDKs and Pixels.

3. Defendant denies all claims asserted against it in the Litigation, denies all allegations of wrongdoing and liability, and denies all material allegations of the class action complaint filed on October 27, 2023 (the “Complaint”).

4. Class Counsel have investigated the facts relating to the claims and defenses alleged and the underlying events in the Litigation, have made a thorough study of the legal principles applicable to the claims and defenses asserted in the Litigation, and have conducted a thorough assessment of the strengths and weaknesses of the Parties’ respective positions, including information supplied to Class Counsel in the context of mediation.

5. The Parties desire to settle the claims asserted and that could be asserted, and all claims arising out of or related to the allegations or subject matter of the Complaint, the Litigation, or Defendant’s alleged use of third-party tracking technology on the terms and conditions set forth herein for the purpose of avoiding the burden, expense, risk, and uncertainty of continuing to litigate the Litigation.

6. This Agreement is the result of vigorous and extensive arm’s-length negotiations that took place over the course of several months between Class Counsel and Defendant’s Counsel and were overseen by an experienced and highly reputable mediator, Bennett G. Picker, Senior Counsel of Stradley Ronon. The Parties conducted two separate mediations and multiple

telephonic conferences with Mr. Picker in an effort to resolve their disputes. These efforts, described further in Plaintiffs' motion for preliminary approval of this Agreement, resulted in a settlement in principle, the terms of which are reflected in this Agreement.

7. This Settlement Agreement shall not be deemed or construed to be an admission or evidence of a violation of any statute, law, rule, or regulation or of any liability or wrongdoing by Defendant or of the truth of any of Plaintiffs' claims or allegations, nor shall it be deemed or construed to be an admission or evidence of Defendants' defenses. Without limiting the foregoing in any way, neither this Settlement Agreement nor anything contained herein shall be construed as or deemed to be an admission of any sort by Defendant that any of the claims in the Litigation would be suitable for class treatment in any context other than settlement due to, inter alia, the manageability issues that would arise were class treatment allowed.

8. Plaintiffs and Class Counsel, on behalf of the Settlement Class (as defined below), have concluded—based upon their pre-suit investigation, information exchange, mediation, and taking into account the contested issues involved, including the fact that many Settlement Class Members (as defined below) are bound by arbitration agreements, the expense and time necessary to prosecute the Litigation through trial, the risks and costs associated with further prosecution of the Litigation, the uncertainties of complex litigation, the desired outcome from continued litigation, and the substantial benefits to be received pursuant to this Settlement Agreement—that a settlement with Defendant on the terms set forth herein is fair and reasonable and in the best interest of Plaintiffs and the Settlement Class. Plaintiffs and Class Counsel believe that the Settlement reflected in this Settlement Agreement confers substantial benefits upon the Settlement Class.

9. The Parties, by and through their respective duly authorized counsel of record, and intending to be legally bound hereby, agree that, subject to the approval of the Court as provided for in this Agreement, the Litigation, all matters and claims in the Complaint, and all matters and claims arising out of or related to the allegations or subject matter of the Complaint and Litigation, shall be settled, compromised, and dismissed on the merits and with prejudice on behalf of the Settlement Class upon the following terms and conditions.

a. The Parties agree that the Settlement Fund is intended to be maintained as a qualified settlement fund within the meaning of Treasury Regulation § 1.468 B-1, and that the Settlement Administrator, within the meaning of Treasury Regulation § 1.468 B-2(k)(3), shall be

responsible for filing tax returns and any other tax reporting for or in respect of the Settlement Fund and paying from the Settlement Fund any taxes owed by the Settlement Fund. The Parties agree that the Settlement Fund shall be treated as a qualified settlement fund from the earliest date possible and agree to any relation-back election required to treat the Settlement Fund as a qualified settlement fund from the earliest date possible. Any and all funds held in the Settlement Fund shall be held in an interest-bearing account insured by the Federal Deposit Insurance Corporation (“FDIC”) at a financial institution determined by the Settlement Administrator and approved by the Parties. Funds may be placed in a non-interest-bearing account as may be reasonably necessary during the check-clearing process. The Settlement Administrator shall provide an accounting of any and all funds in the Settlement Fund, including any interest accrued thereon and payments made pursuant to this Agreement, upon request of any of the Parties.

5. Amounts Paid Not a Penalty. It is understood and agreed that no consideration or amount or sum paid, credited, offered, or expended by Defendant in performance of this Agreement constitutes a penalty, fine, punitive damages, or other form of assessment for any alleged claim or offense.

6. Non-Reversionary. This Settlement is non-reversionary. As of the Effective Date, all rights of Defendant in or to the Settlement Fund shall be extinguished, except in the event this Settlement Agreement is voided, cancelled, or terminated, as described in Section M of this Agreement. In the event the Effective Date occurs, no portion of the Settlement Fund shall be returned to Defendant.

7. Limitation of Liability.

a. Defendant and its counsel shall not have any responsibility for or liability whatsoever with respect to (i) any act, omission, or determination of Class Counsel, the Settlement

Administrator, or any of their respective designees or agents, in connection with the administration of the Settlement or otherwise; (ii) the management, investment, or distribution of the Settlement Fund; (iii) the formulation, design, or terms of the disbursement of the Settlement Fund; (iv) any losses suffered by, or fluctuations in the value of the Settlement Fund; or (v) the payment or withholding of any taxes, expenses, and/or costs incurred in connection with the taxation of the Settlement Fund or the filing of any returns. Defendant also shall have no obligation to communicate with Settlement Class Members and others regarding amounts paid under the Settlement.

b. The Class Representatives and Class Counsel shall not have any liability whatsoever with respect to (i) any act, omission, or determination of the Settlement Administrator, or any of its respective designees or agents, in connection with the administration of the Settlement or otherwise; (ii) the management, investment, or distribution of the Settlement Fund; (iii) the formulation, design, or terms of the disbursement of the Settlement Fund; (iv) any losses suffered by or fluctuations in the value of the Settlement Fund; or (v) the payment or withholding of any taxes, expenses, and/or costs incurred in connection with the taxation of the Settlement Fund or the filing of any returns.

E. Benefits to Settlement Class Members

1. As set out in Paragraph H.7, the Net Settlement Fund shall be distributed via pro rata cash payments to Settlement Class Members who submit a valid and timely Claim Form.

F. Release, Discharge, and Covenant Not to Sue

1. Release. On the Effective Date and in consideration of the promises and covenants set forth in this Settlement Agreement, the Releasing Parties, including Plaintiffs and each Settlement Class Member, will be deemed to have fully, finally, and forever completely released, relinquished, and discharged the Released Parties from any and all past, present, and future claims,

counterclaims, lawsuits, set-offs, costs, expenses, attorneys' fees and costs, losses, rights, demands, charges, complaints, actions, suits, causes of action, obligations, debts, contracts, penalties, damages, or liabilities of any nature whatsoever, known, unknown, or capable of being known, in law or equity, fixed or contingent, accrued or unaccrued, and matured or not matured that arise out of, or are based upon or connected to, or relate in any way to the Data Disclosure or Defendant's use of Pixels, SDKs, cookies, APIs, or any similar technologies, or that were or could have been asserted in the Litigation (the "Release"). The Release shall be included as part of the Final Approval Order and Final Judgment so that all claims released thereby shall be barred by principles of res judicata, collateral estoppel, and claim and issue preclusion. The Release shall constitute and may be pled as a complete defense to any proceeding filed by any Settlement Class Member or Plaintiff arising from, relating to, or filed in connection with the Released Claims. In the event any Settlement Class Member attempts to prosecute an action in contravention of the Final Approval Order and Final Judgment or the Settlement Agreement, counsel for any of the Parties may forward the Settlement Agreement and the Final Approval Order and Final Judgment to such Settlement Class Member and advise such Settlement Class Member of the Release provided pursuant to the Settlement Agreement. If so requested by Defendant or counsel for Defendant, Class Counsel shall provide this notice.

a. Subject to Court approval, as of the Effective Date, Plaintiffs and all Settlement Class Members shall be bound by this Settlement Agreement and the Release, and all of the Released Claims shall be dismissed with prejudice and released.

b. The Released Claims include the release of Unknown Claims. "Unknown Claims" means claims relating in any way to the subject matter of the Complaint that could have been raised in the Litigation and that any of the Plaintiffs and each of their respective heirs,

executors, administrators, representatives, agents, partners, trustees, successors, attorneys, and assigns do not know to exist or suspects to exist, which, if known by him, her or it, might affect his, her, or its agreement to release Defendant and all other Released Parties, or might affect his, her, or its decision to agree to, or object or not to object to the Settlement. With respect to any and all Released Claims, the Parties stipulate and agree that upon the Effective Date, Plaintiffs (on behalf of themselves and each Settlement Class Member) expressly shall have, and by operation of the Final Judgment the Settlement Class Members shall have, released any and all Released Claims, including Unknown Claims. Plaintiffs (on behalf of themselves and each Settlement Class Member) may hereafter discover facts in addition to, or different from, those that they now know or believe to be true with respect to the subject matter of the Released Claims, but Plaintiffs (on behalf of themselves and each Settlement Class Member) expressly shall have, and by operation of the Final Approval Order and Final Judgment shall have, upon the Effective Date, fully, finally, and forever settled and released any and all Released Claims, including Unknown Claims.

c. Without in any way limiting the scope of the Release, the Release covers any and all claims for attorneys' fees, costs or disbursements incurred by Class Counsel or any other counsel representing Plaintiffs or Settlement Class Members, or any of them, in connection with or related in any manner to the Litigation (except for the Attorneys' Fees and Expenses Award nothing in the Release shall preclude any action to enforce the terms of this Settlement Agreement, including participation in any of the processes detailed herein to be paid to Class Counsel as specifically provided in Section L and elsewhere in this Agreement), Defendant's use of third-party or vendor technology as alleged in the Litigation, any claims that arise out of, or are based upon or connected to, or relate in any way to the Data Disclosure or Defendant's use of Pixels, SDKs, cookies, APIs, or any similar technologies, or that were or could have been asserted in the

Litigation, the Settlement, the administration of such Settlement and/or the Released Claims. Class Counsel represent and warrant that they have no attorneys' liens with any Class Representative and/or Settlement Class Member.

In addition, the Class Representatives and, by operation of this Settlement Agreement, each Settlement Class Member, is deemed to have waived (i) the provisions of California Civil Code § 1542, which provides that a general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party, and (ii) any law of any state or territory of the United States that is similar, comparable, or equivalent to California Civil Code § 1542.

2. Covenant Not to Sue. The Releasing Parties covenant not to sue or otherwise seek to establish liability against the Released Parties for any transaction, event, circumstance, action, failure to act, or occurrence of any sort or type arising out of or relating to the Released Claims, including, without limitation, seeking to recover damages relating to any of the Released Claims. This Paragraph shall not apply to any action to enforce this Settlement Agreement.

3. Enforcement of Release. Notwithstanding any other provision of this Agreement, nothing in this Agreement will prevent the Released Parties from pleading this Settlement Agreement as a full and complete defense to any action, suit, or other proceeding that has been or may be instituted, prosecuted, or attempted with respect to any of the Released Claims and may be filed, offered, and received into evidence, and otherwise used for such defense.

G. Settlement Approval Process

1. Reasonable Best Efforts. Class Counsel and Defendant's Counsel shall use their reasonable best efforts to effectuate this Agreement and the terms of the proposed Settlement set

forth herein, including but not limited to cooperating in seeking the Court's approval for the establishment of procedures to secure the Final Approval Order and Final Judgment.

2. Cooperation. The Parties further agree to defend this Agreement against objections made to the Settlement or the Final Approval Order and Final Judgment at the Final Approval Hearing or in any appeal of the Final Approval Order and Final Judgment or in any collateral attack on this Agreement or the Final Approval Order and Final Judgment.

3. Preliminary Approval. Class Counsel shall prepare and file papers in support of a motion for Preliminary Approval. The Parties shall work together in good faith and take all reasonable actions as may be necessary to obtain Preliminary Approval and certification of the Settlement Class for settlement purposes.

4. Final Approval Hearing.

a. If the Court preliminarily approves this Agreement, Plaintiffs shall request a Final Approval Order and Final Judgment that finds the Settlement Agreement comports with Rule 23 of the Federal Rules of Civil Procedure, the laws of Florida, the United States Constitution, and any other applicable law. Plaintiffs shall file the motion for Final Approval no later than 14 days before the Final Approval Hearing.

b. Any Settlement Class Member who wishes to appear at the Final Approval Hearing, whether pro se or through counsel, must, by the Objection Deadline, either mail, hand deliver to the Court, or file a notice of appearance in the Litigation, take all other actions or make any additional submissions as may be required in the Long-Form Notice, this Settlement Agreement, or as otherwise ordered by the Court, and mail that notice and any other such pleadings to Class Counsel and Defendant's Counsel as provided in the Long-Form Notice.

5. Finality of Settlement. If and when the Settlement becomes Final, through entry of the Final Approval Order and Final Judgment, the Litigation shall be dismissed with prejudice, with the Parties to bear their own costs and attorneys' fees, costs, and expenses not otherwise awarded in accordance with this Settlement Agreement.

6. No Admission.

a. Nothing in this Settlement Agreement constitutes an admission by Defendant as to the merits of the allegations made in the Litigation, or an admission by Plaintiffs or the Settlement Class of the validity of any defenses that have been or could be asserted by Defendant, or an admission by Defendant as to the suitability for class treatment of some or all claims asserted in the Litigation.

b. This Settlement Agreement, and any of its terms, and any agreement or order relating thereto, shall not be deemed to be, or offered by any of the Parties or any Settlement Class Member to be received in any civil, criminal, administrative, or other proceeding, or utilized in any manner whatsoever as, a presumption, a concession, or an admission of any fault, wrongdoing, or liability whatsoever on the part of Defendant or other Released Parties; provided, however, that nothing contained in this provision shall prevent this Settlement Agreement from being used, offered, or received in evidence in any proceeding to approve enforce, or otherwise effectuate the Settlement Agreement or the Order and Final Judgment, or to support the reasonableness, fairness, or good faith of any Party participating in the Settlement Agreement (or any agreement or order relating thereto) in any proceeding in which the reasonableness, fairness, or good faith of any Party participating in the Settlement Agreement (or any agreement or order relating thereto) is in issue, or to enforce or effectuate provisions of this Settlement Agreement or the Order and Final Judgment. This Settlement Agreement may, however, be filed and used in

other proceedings, where relevant, to demonstrate the fact of its existence, including but not limited to Defendant filing the Settlement Agreement and/or the Order and Final Judgment in any other action that has been or may be brought against it in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, waiver, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

H. Settlement Administration

1. Settlement Administration Costs. All agreed-upon and reasonable Federal Rule of Civil Procedure 23 Notice and Settlement Administration Costs will be paid from the Settlement Fund. Plaintiffs agreed (i) to solicit and did solicit competitive bids for settlement administration, including Notice and Settlement Administration Costs, (ii) to rely upon Email Notice, and (iii) to utilize other appropriate forms of notice where practicable and agreed upon by the Parties, in order to contain the administration costs while still providing effective notice to the Settlement Class Members.

2. Settlement Administrator's Effectuation of Notice Program.

a. The Settlement Administrator will provide written notice by email of the Settlement terms to all Settlement Class Members for whom Defendant provides a valid email address. The Settlement Administrator will also provide publication notice through online banner advertisements. Settlement Class Members shall have sixty (60) days from the Notice Date to object to the Settlement Agreement.

b. The Settlement Administrator will cause the Notice Program to be effectuated in accordance with the terms of the Settlement Agreement and any orders of the Court. The Settlement Administrator may request the assistance of the Parties to facilitate providing

notice and to accomplish such other purposes as may be approved by both Class Counsel and Defendant's Counsel. The Parties shall reasonably cooperate with such requests.

3. Claim Submission. To make a claim, a Settlement Class Member must complete and submit a valid, timely, and sworn Claim Form. A Claim Form shall be submitted online via the Settlement Website or by U.S. mail and must be postmarked no later than the Claim Deadline.

4. Settlement Administrator Review. The Settlement Administrator will review and evaluate each Claim Form for validity, timeliness, and completeness. If, in the determination of the Settlement Administrator, the Settlement Class Member submits a timely but incomplete Claim Form, the Settlement Administrator shall give the Settlement Class Member notice of the deficiencies, and the Settlement Class Member shall have twenty (20) days from the date of the written notice to cure the deficiencies. The Settlement Administrator will provide notice of deficiencies concurrently to Defendant's Counsel and Class Counsel. If the defect is not cured within the 20-day period, then the Claim will be deemed invalid. All Settlement Class Members who submit a valid and timely Claim Form, including a Claim Form deemed defective but timely cured, shall be considered "Claimants."

5. Distribution.

a. No amounts may be withdrawn from the Settlement Fund unless (i) expressly authorized by the Settlement Agreement, or as may be (ii) approved by the Court. The Parties, by mutual agreement, may authorize the periodic payment of actual reasonable Notice and Settlement Administration Costs from the Settlement Fund as such expenses are invoiced without further order of the Court. The Settlement Administrator shall provide Class Counsel and Defendant's Counsel with notice of any withdrawal or other payment the Settlement Administrator

proposes to make from the Settlement Fund before the Effective Date at least seven (7) business days prior to making such withdrawal or payment.

b. The Settlement Fund shall be used by the Settlement Administrator to pay for: (i) reasonable Notice and Settlement Administration Costs incurred pursuant to this Settlement Agreement as approved by the Parties and approved by the Court, (ii) any taxes owed by the Settlement Fund, (iii) any Attorneys' Fees and Expenses Award as approved by the Court, and (iv) payments to Settlement Class Members who submit timely and valid Claims to the Settlement Administrator. The Settlement Administrator will maintain control over the Settlement Fund and shall be responsible for all disbursements.

6. Integrity of Claims.

a. The Parties shall have the right to audit Claim Forms for validity and fraud. In the event that a Party believes that a Claim Form is invalid or fraudulent and should be rejected, it shall bring that to the attention of the other Party, and the Parties shall meet and confer and attempt, in good faith, to resolve any dispute regarding the rejected claim. Following their meet and confer, the Parties will provide the Settlement Administrator with their positions regarding the disputed claim. The Settlement Administrator, after considering the positions of the Parties and, if appropriate, seeking any additional information from the Settlement Class Member, will make a determination, subject to review by the Court.

b. If at any time during the Claims process, the Settlement Administrator has a reasonable suspicion of fraud, the Settlement Administrator shall immediately notify both Class Counsel and Defendant's Counsel of that fact and the basis for its suspicion. Class Counsel and Defendant's Counsel shall endeavor to reach an agreed-upon solution to any suspected fraud and,

if necessary and agreed upon by Class Counsel and Defendant's Counsel, the Parties will promptly seek assistance from the Court.

7. Distribution Process.

a. Subject to the terms and conditions of this Settlement Agreement, forty-five (45) days after the Effective Date, the Settlement Administrator shall mail or otherwise provide a payment, via check or electronic transfer, (a "Claim Payment") to each Claimant for their pro rata share of the Net Settlement Fund, in accordance with the following distribution procedures:

i. The Settlement Administrator shall utilize the Net Settlement Fund to make all Claim Payments.

ii. The amount of each Claim Payment shall be calculated by dividing the Net Settlement Fund by the number of valid Claims.

b. Each Claim Payment shall be mailed to the address provided by the Claimant on his or her Claim Form. All Claim Payments issued under this section shall be void if not negotiated within ninety (90) days of their date of issue and shall contain a legend to that effect. Claim Payments issued pursuant to this section that are not negotiated within ninety (90) days of their date of issue shall not be reissued.

c. For any Claim Payments returned to the Settlement Administrator as undeliverable (including, but not limited to, when the intended recipient is no longer located at the address), the Settlement Administrator shall make reasonable efforts to find a valid address and resend the Claim Payment within thirty (30) days after the check is returned to the Settlement Administrator as undeliverable. If the Settlement Administrator finds a valid address and resends the Claim Payment, the ninety (90) day void period will be waived. The Settlement Administrator shall make only one attempt to resend a Claim Payment.

d. To the extent any money remains in the Net Settlement Fund more than one hundred eighty (180) days after the distribution of Claim Payments to the Claimants, the distribution of the remaining Net Settlement Fund shall be made to the Center for Internet and Society at Stanford Law School.

I. Class Notice

1. Notice Program. The Parties agree the following Notice Program provides reasonable notice to the Settlement Class.

a. Direct notice shall be provided via email to all Settlement Class Members for whom the Settlement Administrator has a valid email address. Additional notice will be provided via publication through online banner advertisements (the “Publication Notice”).

b. Within fourteen (14) days of the entry of the Preliminary Approval Order, Defendant shall provide the Settlement Administrator with the names and email addresses known to Defendant for the Settlement Class Members.

c. Within forty-five (45) days following entry of the Preliminary Approval Order (the Notice Date), the Settlement Administrator shall email the Email Notice and the Claim Form to all Settlement Class Members for whom an email address is available.

d. Within forty-five (45) days following the entry of the Preliminary Approval Order (the Notice Date), the Settlement Administration shall also commence the Publication Notice.

e. The Email Notice will be substantially in the form of Exhibit C.

f. No later than thirty (30) days following the entry of the Preliminary Approval Order, and prior to the sending of the Email Notice to all Settlement Class Members, the Settlement Administrator will create a dedicated Settlement Website. The Settlement Administrator shall cause the Complaint, Email Notice, Claim Form, this Settlement Agreement,

and other relevant Settlement and court documents (including the Long-Form Notice) to be available on the Settlement Website. Any other content proposed to be included or displayed on the Settlement Website shall be approved in advance by counsel for the Parties. A link to the Settlement Website shall be included in the Email Notice.

g. The Settlement Website shall be maintained from the Notice Date until one hundred eighty (180) days after the Effective Date.

h. The Notice Program shall be subject to approval by the Court as meeting the requirements of Rule 23(c) of the Federal Rules of Civil Procedure.

i. The Long-Form Notice and Email Notice approved by the Court may be adjusted by the Settlement Administrator in consultation and agreement with the Parties, as may be reasonable and necessary and not inconsistent with such approval.

j. Prior to the Final Approval Hearing, the Settlement Administrator shall provide to Class Counsel to file with the Court an appropriate affidavit or declaration from the Settlement Administrator concerning compliance with the Court-approved Notice Program.

k. The Notice Program shall commence within forty-five (45) days of entry of the Preliminary Approval Order and shall be completed within sixty (60) days of the Preliminary Approval Order, except as otherwise specifically provided above.

2. CAFA Notice. In compliance with the Class Action Fairness Act of 2005, 28 U.S.C. § 1715(b) (“CAFA”), the Settlement Administrator will provide notice to the appropriate state and federal officials. The Settlement Administrator shall cause to be filed with the Court proof of service of the required CAFA notices.

J. Objections to Settlement

1. Any Settlement Class Member who has not excluded themselves and wishes to object to the proposed Settlement Agreement must file with the Court and serve a written objection

to the Settlement (“Objection”) on Class Counsel and Defendant’s Counsel, at the addresses set forth in the Long-Form Notice.

2. Each Objection must (i) set forth the Settlement Class Member’s full name, current address, telephone number, and email address; (ii) contain the Settlement Class Member’s original signature; (iii) contain proof or an attestation that the Settlement Class Member is a member of the Settlement Class; (iv) state whether the objection applies only to the Settlement Class Member, to a specific subset of the Settlement Class, or to the entire Settlement Class; (v) set forth a statement of the legal and factual basis for the Objection; (vi) provide copies of any documents that the Settlement Class Member wishes to submit in support of his/her position; (vii) identify all counsel representing the Settlement Class Member, if any; (viii) contain the signature of the Settlement Class Member’s duly authorized attorney or other duly authorized representative, if any, along with documentation setting forth such representation; and (ix) contain a list, including case name, court, and docket number, of all other cases in which the objecting Settlement Class Member and/or the objecting Settlement Class Member’s counsel has filed an objection to any proposed class action settlement in the past three (3) years.

3. Objections must be filed with the Court and served on Class Counsel and Defendant’s Counsel no later than sixty (60) days after the Notice Date (the “Objection Deadline”). The Objection Deadline shall be included in the Short-Form and Long-Form Notices.

4. Class Counsel and Defendant’s Counsel may, but need not, respond to the Objections, if any, by means of a memorandum of law served prior to the Final Approval Hearing.

5. An objecting Settlement Class Member has the right, but is not required, to attend the Final Approval Hearing. If an objecting Settlement Class Member intends to appear at the Final Approval Hearing, either with or without counsel, he or she must also file a notice of

appearance with the Court (as well as serve the notice on Class Counsel and Defendant's Counsel) by the Objection Deadline.

6. If the objecting Settlement Class Member intends to appear at the Final Approval Hearing through counsel, he or she must also identify: (i) the attorney(s) representing the objecting Settlement Class Member who will appear at the Final Approval Hearing by including counsel's name, address, phone number, email address, the state bar(s) to which counsel is admitted, as well as associated state bar numbers; (ii) any witnesses he or she may seek to call to testify (including the Settlement Class Members) at the Final Approval Hearing; and (iii) all exhibits he or she intends to seek to introduce into evidence.

7. Any Settlement Class Member who fails to timely file and serve an Objection and notice, if applicable, of his or her intent to appear at the Final Approval Hearing in person or through counsel pursuant to this Settlement Agreement, as detailed in the Long-Form Notice, and otherwise as ordered by the Court, shall not be permitted to object to the approval of the Settlement at the Final Approval Hearing, shall be foreclosed from seeking any review of the Settlement or the terms of the Settlement Agreement by appeal or other means, and shall be bound by all the terms of the Settlement Agreement and by all proceedings, orders, and judgments in the Litigation. The exclusive means for any challenge to the Settlement Agreement shall be through the provisions of Section J.

K. Written Exclusion for Opt-Outs from Settlement Class

1. Opt-Out Procedure. Subject to Court approval, each Person wishing to opt out of the Settlement Class shall have the right to exclude themselves from the Settlement Class pursuant only to the procedure set forth in this Agreement. Each Person wishing to opt out of the Settlement Class shall individually sign and timely submit written notice of such intent ("Request for Exclusion") to the designated Post Office box established by the Settlement Administrator. The

written notice must clearly identify the individual Person wishing to opt out of the Settlement Class and must manifest the Person's intent to opt out of the Settlement Class. To be effective, written notice must be postmarked no later than the Opt-Out Date.

2. Failure to Properly Exclude. Subject to Court approval, a Request for Exclusion that does not comply with all of the provisions set forth in the applicable Class Notice will be invalid, and the Person serving such an invalid request shall be deemed a Settlement Class Member of the applicable Settlement Class and shall be bound by the Agreement upon entry of the Final Judgment.

3. Identification of Opt-Outs. Within seven (7) days after the Opt-Out Date, the Settlement Administrator shall provide the Parties with a complete and final list of all Opt-Outs who have timely and validly excluded themselves from the Settlement Class and, upon request, copies of all completed Requests for Exclusion. Class Counsel may present to the Court the number of Opt-Outs (if any), no later than ten (10) days before the Final Approval Hearing but may not provide their name and contact information (though Class Counsel should alert the Court that such information is maintained by the Settlement Administrator), except that upon the Court's request, Class Counsel may provide the Court a list of Opt-Outs with such information redacted other than names and cities and states of residence.

4. Opt-Outs. All Persons who submit valid and timely Requests for Exclusion, as set forth in Paragraph K.1, referred to herein as "Opt-Outs," shall not be permitted to file an Objection with the Court or receive any benefits of or be bound by the terms of this Settlement Agreement. Defendant reserves its legal rights and defenses, including, but not limited to, any defenses relating to whether any Opt-Out is a Settlement Class Member or has standing to bring a claim against Defendant. All Persons falling within the definition of the Settlement Class who do not opt out of

the Settlement Class in the manner set forth in Paragraph K.1 shall be bound by the terms of this Settlement Agreement and judgment entered thereon.

L. Attorneys' Fees, Costs, and Expenses.

1. Class Counsel shall request the Court to approve an award of attorneys' fees not to exceed 35% or \$4,550,000.00 of the Settlement Fund plus reasonable Litigation Expenses not to exceed \$25,000. The Attorneys' Fees and Expenses Award shall be paid within fourteen (14) days after entry of the Final Approval Order and an order awarding such attorneys' fees and expenses, notwithstanding the existence of any timely filed objections thereto or to the Settlement, or potential for appeal therefrom, or collateral attack on the awarded fees and expenses, the Settlement, or any part thereof. Payment of the Attorneys' Fees and Expenses Award shall be made via wire transfer to an account or accounts designated by Class Counsel after providing necessary information for electronic transfer. The Attorneys' Fees and Expenses Award paid to Class Counsel will be subject to potential repayment pursuant to the terms set forth below. For the avoidance of doubt, the Attorneys' Fees and Expenses Award shall be paid from the Settlement Fund.

2. Each Class Counsel receiving any portion of the Attorneys' Fees and Expenses Award, as a condition of receiving such payment, agrees on behalf of itself and each equity partner and/or shareholder of it that the law firm and its equity partners and/or shareholders are subject to the jurisdiction of the Court for the purpose of enforcing the provisions of this Section. Class Counsel executing this Settlement stipulate, warrant, and represent that they have actual authority to enter into the obligations set forth in this Section on behalf of Milberg Coleman Bryson Phillips Grossman, LLC, and the shareholders, members, and/or partners of that law firm respectively. In the event that the Effective Date does not occur, or the Final Approval Order or the order granting an Attorneys' Fees and Expenses Award is reversed or modified by a final non-appealable order,

or this Settlement Agreement is canceled or terminated for any other reason, and such reversal, modification, cancellation or termination becomes final and not subject to review, and in the event that the Attorneys' Fees and Expenses Award has been paid to any extent, then Class Counsel with respect to the Attorneys' Fees and Expenses Award paid shall within ten (10) business days from receiving notice from Defendant's Counsel or from a court of appropriate jurisdiction, refund to the Settlement Fund such fees and expenses previously paid to them from the Settlement Fund plus interest thereon at the same rate as earned on the Settlement Fund in an amount consistent with such reversal or modification. If the Attorneys' Fees and Expenses Award is reduced on appeal, but all other terms of the Settlement Agreement remain in full effect, Class Counsel shall repay the portion of the Attorneys' Fees and Expenses Award by which it is reduced and any interest earned thereon at the same rate as earned on the Settlement Fund. This partial repayment of the Attorneys' Fees and Expenses Award shall be applied to the Settlement Fund and distributed in accordance with the terms of the Settlement Agreement. If Class Counsel fails to repay any portion of the Attorneys' Fees and Expenses Award as required by this Section, the Court shall, upon application by Defendant and notice to Class Counsel, issue such orders as appropriate to compel compliance by Class Counsel and their law firm, and shall award reasonable attorneys' fees and expenses incurred by Defendant in connection with the enforcement of this Section. Neither the death, incapacitation, personal bankruptcy, or disbarment of any of Class Counsel nor the dissolution, winding up, bankruptcy, merger, acquisition, or other change in the composition or solvency of their law firm shall in any way affect the obligations of Class Counsel in this paragraph. All obligations set forth in this paragraph shall expire upon the Effective Date.

3. Class Counsel will file applications with the Court for the requested Attorneys' Fees and Expenses Award no later than fifteen (15) days prior to the Objection Deadline. Without

the Parties having discussed the issue of attorneys' fees at any point in their negotiations, and with no consideration given or received, Class Counsel has elected to limit its petition for attorneys' fees to no more than thirty-five percent (35%) of the Settlement Fund, plus reimbursement of expenses. Payment of the Attorneys' Fees and Expenses Award shall be made from the Settlement Fund and should Class Counsel seek or be awarded a lesser amount, the difference in the amount sought and/or the amount ultimately awarded to Class Counsel shall remain in the Settlement Fund for distribution to eligible Settlement Class Members. Defendant is not responsible for Class Counsel's allocation of the Attorneys' Fees and Expenses Award amongst themselves.

4. Payment of the Attorneys' Fees and Expenses Award shall be contingent upon Class Counsel posting a bond in the amount of the entire Attorneys' Fees and Expenses Award to secure repayment to the Settlement Fund in a form satisfactory to the Parties and from a surety agreed upon by the Parties should repayment be required for any of the reasons set forth in Paragraph L.2.

5. The Parties agree that the Court's approval or denial of any request for Attorneys' Fees and Expenses Award are not conditions to this Settlement Agreement and are to be considered by the Court separately from the final approval, reasonableness, and adequacy of the settlement. Any reduction to the Attorneys' Fees and Expenses Award shall not operate to terminate or cancel this Settlement Agreement.

M. Termination

1. Rejection or Alteration of Settlement Terms. Each Party shall have the right to terminate this Settlement Agreement if:

- a. The Court denies preliminary approval of this Settlement Agreement;
- b. The Court denies final approval of this Settlement Agreement;

c. The Court does not certify the Settlement Class in accordance with the specific Settlement Class definition in this Agreement.

d. The Court does not enter the Final Approval Order and Final Judgment.

e. The Final Approval Order and Final Judgment do not become Final by reason of a higher court reversing final approval by the Court, and the Court thereafter declines to enter a further order or orders approving the Settlement on the terms set forth herein; or

f. In addition to the grounds set forth above, if Settlement Class Members properly and timely submit Requests for Exclusion from the Settlement Class as set forth in Section K, thereby becoming Opt-Outs, and are in a number more than indicated in a separate agreement reached by the Parties that the Parties will seek leave to file under seal, then Defendant shall have the sole option to withdraw from and terminate this Settlement Agreement.

2. Notice of Termination. If a Party elects to terminate this Settlement Agreement under this Section M, that Party must provide written notice to the other Party's counsel by hand delivery, mail, or email within seven (7) days of the occurrence of the condition permitting termination. In the event the occurrence permitting termination is the circumstances addressed in Paragraph M.1.f, Class Counsel shall have forty-five (45) days or such longer period as agreed to by the Parties to address the number of Settlement Class Members who have excluded themselves from the Settlement Class in an effort to reduce that number below the number specified in Paragraph M.1.f.

3. Termination of Settlement.

a. If this Settlement Agreement is terminated or disapproved, or if the Effective Date should not occur for any reason, then: (i) this Settlement Agreement, the Preliminary Approval Order, the Final Approval Order and Final Judgment (if applicable), and all

of their provisions shall be rendered null and void; (ii) all Parties shall be deemed to have reverted to their respective statuses in the Litigation as of the date and time immediately preceding the filing of the motion for approval of this Settlement Agreement; (iii) except as otherwise expressly provided or agreed, the Parties shall stand in the same position and shall proceed in all respects as if this Settlement Agreement and any related orders had never been executed, entered into, or filed; and (iv) no term or draft of this Settlement Agreement nor any part of the Parties' settlement discussions, negotiations, communications, or documentation (including any declaration or brief filed in support of the motion for preliminary approval or motion for final approval), nor any rulings regarding class composition or class certification for settlement purposes (including the Preliminary Approval Order and, if applicable, the Final Approval Order and Final Judgment), will have any effect or be admissible into evidence for any purpose in the Litigation or any other proceeding.

b. If the Court does not approve the Settlement or the Effective Date cannot occur for any reason, Defendant shall retain all of its rights and defenses in the Litigation, including but not limited to the right to argue that some or all of the claims asserted are not suitable for class certification. For example, Defendant shall have the right to move to dismiss, to object to the maintenance of the Litigation as a class action, to move for summary judgment, and to assert defenses at trial. Nothing in this Settlement Agreement or other papers or proceedings related to the Settlement shall be used as evidence or argument by any Party concerning whether the Litigation may properly be maintained as a class action, or for any other purpose.

c. In the event that this Agreement does not become Final, or this Agreement otherwise is rescinded or terminated, then this Agreement shall be of no force or effect and any and all parts of the Settlement Fund (other than Notice and Settlement Administration Costs

reasonably and actually incurred), along with any income accrued thereon, shall be returned in full to Defendant. Such payments will be made within ten (10) calendar days of rescission, termination, or a court's final determination denying final approval of the Agreement and/or any of the Settlement Classes, whichever occurs first. The Parties expressly reserve all of their rights if this Agreement is rescinded or does not become final.

N. Effective Date

1. Effective Date. The "Effective Date" of this Settlement Agreement shall be the first day after the date when all of the following conditions have occurred:

- a. This Settlement Agreement has been fully executed by all Parties and their counsel;
- b. Orders have been entered by the Court certifying the Settlement Class, granting preliminary approval of this Settlement Agreement, and approving the Notice Program and Claim Form, all as provided above;
- c. The Court-approved Email Notice has been sent, other notice required by the Notice Program has been effectuated as ordered by the Court;
- d. The Court has entered a Final Approval Order and Final Judgment finally approving this Settlement Agreement, as provided above; and
- e. The time for appeal or to seek permission to appeal from the Final Judgment expires, or if appealed, (1) such appeal is finally dismissed prior to resolution by the applicable court; (2) the Final Judgment is affirmed in its entirety by the court of last resort to which such appeal may be taken; or (3) the Final Judgment is modified, the Parties agree to the modifications and withdraw any pending appeals, and such document is finally entered.

O. Miscellaneous

1. Recitals. The recitals and exhibits to this Settlement Agreement are integral parts of the Settlement and are expressly incorporated and made a part of this Settlement Agreement.

2. Entire Agreement. 3. Inurement. The terms of the Settlement Agreement are and shall be binding upon and enforceable by, to the fullest extent possible, each of the Releasing Parties and the Released Parties, and upon all other Persons, including but not limited to any affiliates, parents, subsidiaries, predecessors, successors, or assignees, claiming any interest in the subject matter hereto through any of the Parties, Releasing Parties, or Released Parties, including any Settlement Class Members.

4. Modification. This Settlement Agreement may be modified or amended only by a writing executed by the Plaintiffs and Defendant, subject (if after preliminary or final approval) to approval by the Court. Amendments and modifications may be made without notice to the Settlement Class unless notice is required by law or by the Court.

5. Choice of Law. This Settlement Agreement shall be construed under and governed by the laws of the State of Florida without regard to its choice of law or conflict of laws provisions or principles.

6. Consent to Jurisdiction. The Parties and each Settlement Class Member irrevocably submit to the exclusive jurisdiction of the Court for any suit, action, proceeding, or dispute arising out of or relating to this Agreement or the applicability of the Agreement and its exhibits, but for no other purpose. If for any reason this Settlement Agreement is terminated, or fails to become effective, then, in such event, nothing in this Settlement Agreement or with regard to any conduct

of Defendant or Defendant's Counsel pursuant to any obligation Defendant has pursuant to the Agreement shall constitute or are intended to be construed as any agreement to personal jurisdiction (general or specific) or subject matter jurisdiction so as to confer the jurisdiction of the District Court over Defendant, nor shall it constitute any waiver of any defenses based on personal or subject matter jurisdiction.

13. Severability. In the event that one or more of the provisions contained in this Settlement Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect the other provisions of the Settlement Agreement, which shall remain in full force and effect as though the invalid, illegal, or unenforceable provision(s) had never been a part of this Settlement Agreement as long as the benefits of this Settlement Agreement to Defendant or the Settlement Class Members are not materially altered, positively or negatively, as a result of the invalid, illegal, or unenforceable provision(s).

14. Authorization. Each signatory below warrants that he or she has authority to execute this Settlement Agreement and bind the Party on whose behalf he or she is executing the Settlement Agreement.

1. What is this Notice

This is a Court-authorized Long-Form Notice of a proposed Settlement (the “Settlement”) in a Class Action lawsuit, *Thomas Hodges et al. v. GoodRx Holdings, Inc.*, Case No. 1:23-cv-24127-BB (the “Litigation”), pending in the U.S. District Court for the Southern District of Florida (the “Court”). The Settlement would resolve the Litigation that arose alleging that Defendant GoodRx Holdings, Inc. (“GoodRx”) violated Plaintiffs’ and Class Members’ privacy rights through its implementation and usage of Internet tracking technologies supplied by third parties or vendors, including pieces of code known as SDKs (defined below) and tracking pixels (further defined as “Pixels” herein), and, when using some sites or applications, certain personal information would purportedly be disclosed in particular circumstances to specific vendors because of the SDKs and Pixels. The Court has granted Preliminary Approval of the Settlement Agreement and has conditionally certified the Settlement Class for purposes of Settlement only. This Long-Form Notice explains the nature of the class action lawsuit, the terms of the Settlement Agreement, and the legal rights and obligations of members of the Settlement Class. Please read the instructions and explanations below carefully so that you can better understand your legal rights. The Settlement Administrator in this case is Kroll Settlement Administration LLC.

2. How did I get this Notice

You may have received a Notice because you were identified as a person in the United States who used any website, app, or service made available by or through GoodRx prior to October 27, 2023.

3. What is this lawsuit about

The Litigation arises out of GoodRx’s implementation and use of the Tracking Pixel on its websites, app, or service, defined below as the “Data Disclosure,” during which Plaintiffs allege their web usage data, containing personal information, was shared with third parties, allegedly resulting in the invasion of Plaintiffs’ and Settlement Class Members’ privacy.

“Data Disclosure” means the alleged disclosure of any Data of Plaintiffs and Settlement Class Members to any third party or vendor. This includes, but is not limited to any disclosure to Facebook, Google, Criteo, or other third parties or vendors as a result of any use, including but not limited to the use of Pixels, software development kits (“SDKs”), cookies, application programming interfaces (“APIs”), or any technologies used in relation to websites, applications, or services made available by or through Defendant through October 27, 2023.

What is this a class action

A class action is a lawsuit in which an individual called a “Class Representative” brings a single lawsuit on behalf of other people who have similar claims. All of these people together are a “Settlement Class” or “Settlement Class Members.” When a class action is settled, the Settlement, which must be approved by the Court, resolves the issues for all Settlement Class Members, except for those who exclude themselves from the Settlement.

What is there a settlement?

To resolve this matter without the expense, delay, and uncertainties of protracted litigation, the Parties reached a settlement that resolves all claims brought on behalf of the Settlement Class related to the alleged Data Disclosure. If approved by the Court, the Settlement Agreement requires GoodRx to provide cash compensation to certain Settlement Class Members who submit valid and timely Claim Forms. The Settlement is not an admission of wrongdoing by GoodRx and does not imply that there has been, or would be, any finding that GoodRx violated the law.

The Court already has preliminarily approved the Settlement Agreement. Nevertheless, because the settlement of a class action determines the rights of all members of the Settlement Class, the Court overseeing this Litigation must give final approval to the Settlement Agreement before it can be effective. The Court has conditionally certified the Settlement Class for settlement purposes only, so that members of the Settlement Class may be given notice and the opportunity to exclude themselves from the Settlement Class or to voice their support or opposition to final approval of the Settlement Agreement. If the Court does not grant final approval to the Settlement Agreement, or if it is terminated by the Parties, then the Settlement Agreement will be void, and the Litigation will proceed as if there had been no settlement and no certification of the Settlement Class.

How do I know if I am a part of the Settlement?

You are a member of the Settlement Class if you resided in the United States and used any website, app, or service made available by or through GoodRx prior to October 27, 2023. Excluded from the Settlement Class are Defendant and its affiliates, parents, subsidiaries, officers, and directors, the Opt-Outs, as well as the judges presiding over this matter and the clerks of said judges.

YOUR BENEFITS UNDER THE SETTLEMENT

What can I get from the Settlement?

Settlement Class Members who file a valid Claim Form may receive a *pro rata* cash payment from the Net Settlement Fund. The Net Settlement Fund is what remains of the \$13,000,000 Settlement Fund following the payment of the Notice and Settlement Administration Costs, and Attorneys' Fees and Expenses Award. See Question 9 for details on how to submit a Claim Form.

When will I receive the benefits?

If you timely submit a valid Claim Form for monetary recovery, you will receive payment in the amount approved by the Settlement Administrator after processing your Claim Form, and the Settlement is Final and has become effective.

I want to be a part of the Settlement. What do I do?

QUESTIONS? VISIT WWW.XXXXXXXXXXXXXXXXXXXXXXXX.COM

To submit a claim for cash compensation, you must timely submit the Claim Form on the Settlement Website at www.xxxxxxxxxxxxxxxxxxxx.com, or by mail to GoodRx Pixel Settlement, c/o Kroll Settlement Administration LLC, PO Box XXXX, New York, NY 10150-XXXX.

You must submit any claims by the Claim Deadline of **Claim Deadline**. There can be only one (1) valid and timely claim per Settlement Class Member.

1. What happens if I give up my claim in the Settlement?

By staying in the Settlement Class, all the Court's orders will apply to you and will bind you. You also give Defendant a "release," which means you cannot sue or be part of any other lawsuit or other legal action against Defendant about or arising from the claims or issues in this Litigation with respect to the alleged sharing of your personal or health information.

The precise terms of the release are in the Settlement Agreement, which is available on the Documents section of the Settlement Website. Unless you formally exclude yourself from this Settlement, you will release your claims. If you have any questions, you can talk for free to the attorneys identified below who have been appointed by the Court to represent the Settlement Class or you are welcome to talk to any other lawyer of your choosing at your own expense.

EXCLUDE YOURSELF FROM THE SETTLEMENT

If you do not want to remain in the Settlement, but you want to keep your legal claims against Defendant, then you must take steps to exclude yourself from this Settlement.

11. How do I get out of the Settlement?

To exclude yourself from the Settlement, you must send a Request for Exclusion or letter by mail stating that you want to be excluded from *Thomas Hodges et al. v. GoodRx Holdings, Inc.*, Case No. 1:23-cv-24127-BB (S.D. Fl.) to the Settlement Administrator. Such Request for Exclusion shall include: (1) your full name and address; (2) the case name and docket number; (3) a written statement that you wish to be excluded from the Settlement; and (4) your signature. You must mail your Request for Exclusion, postmarked **no later than Opt-Out Date**, to:

GoodRx Pixel Settlement
c/o Kroll Settlement Administration LLC
PO Box XXXX
New York, NY 10150-XXXX

12. If I exclude myself, do I still receive benefits from this Settlement?

No, if you submit a Request for Exclusion, you will not receive anything resulting from the Settlement, but you may sue Defendant over the claims raised in this case, either on your own or as a part of a different lawsuit. If you exclude yourself, the time you have to file your own lawsuit (called the "statute of limitations") will begin to

run again. You will have the same amount of time to file the suit that you had when this case was filed. If you file an objection, you may still receive benefits if you timely file a claim.

THE LAWYERS REPRESENTING THE CLASS

13. Do I have a lawyer in this case

The Court has appointed the following attorneys to represent the Settlement Class as Class Counsel:

Patrick Montoya,
Gary M. Klinger,

These attorneys will be paid from the Settlement Fund. If you want to be represented by your own lawyer, you may hire one at your own expense.

14. How will the lawyers for the Settlement Class be paid

Class Counsel will request to be paid reasonable attorneys' fees up to 35% of the Settlement Fund, plus their expenses incurred in the Litigation, subject to Court approval. The application for Attorneys' Fees and Expenses Award will be posted on the Settlement Website after it is filed.

OBJECT TO THE SETTLEMENT

15. How do I tell the Court that I do not like the Settlement

You can tell the Court that you do not agree with the Settlement or some part of it. If you are a Settlement Class Member, you can object to the Settlement and the Court will consider your views. In order to object to the Settlement, you must submit a written Objection (such as a letter or legal brief) stating that you object and the reasons why you think the Court should not approve the Settlement. Your objection should include: (1) the objector's full name, telephone number, email address, and address; (2) proof of being a member of the Settlement Class; (3) the case name and docket number, *Thomas Hodges et al. v. GoodRx Holdings, Inc.*, Case No. 1:23-cv-24127-BB (S.D. If represented by counsel, the objecting Settlement Class Member must also provide his/her counsel's name, address, phone number, email address, the state bar(s) to which counsel is admitted, as well as associated state bar numbers. If the objecting Settlement Class Member intends to appear at the Final Approval Hearing, either with or without counsel, he/she must state as such in the written Objection, and must also identify any witnesses he/she may call to testify at the Final Approval Hearing and all exhibits he/she intends to introduce into evidence at the Final Approval Hearing, which must also be attached to, or included with, the written Objection.

If you file an Objection, you may still receive benefits so long as you timely file a claim. To be timely, written notice of an objection in the appropriate form must be filed with the Court no later than the Objection Deadline,

Objection Deadline, and served on Class Counsel and Defendant's Counsel (Kirkland & Ellis LLP), as noted below:

EXHIBIT D

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA**

THOMAS HODGES, HALEYRAE CANNELL,
DANIELLE BENEDICT, CHRISTOPHER
BRITTON, XE DAVIS, AND EMILY HOZA,
individually and on behalf of all others
similarly situated,

Plaintiffs,

v.

GOODRX HOLDINGS, INC.,

Defendant.

Case No. 1:23-cv-24127-BB

**PROPOSED ORDER GRANTING
PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT**

This matter is before the Court on Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement. Plaintiffs, individually and on behalf of the proposed Settlement Class, and Defendant have entered into a Settlement Agreement and Release, dated October 27, 2023 (“Settlement Agreement”) that, if approved, would settle the above-captioned litigation. Having considered the Motion, the Settlement Agreement together with all exhibits and attachments thereto, the record in this matter, and the briefs and arguments of counsel, IT IS HEREBY ORDERED as follows:

1. Unless otherwise defined herein, all terms that are capitalized herein shall have the same meaning ascribed to those terms in the Settlement Agreement.
2. The Court has jurisdiction over this litigation, Plaintiffs, Defendant, and Settlement Class Members, and any party to any agreement that is part of or related to the Settlement Agreement.

PRELIMINARY APPROVAL

3. The Court has reviewed the terms of the proposed Settlement Agreement, the exhibits and attachments thereto, Plaintiffs' motion papers and briefs, and the declarations of counsel and the Settlement Administrator. Based on its review of these papers, the Court finds that the Settlement Agreement appears to be the result of serious, informed, non-collusive negotiations conducted with the assistance of mediator Bennett G. Picker of Stradley Ronon, through which the basic terms of the Settlement were negotiated and finalized. The Court further observes that the Settlement Agreement is the product of an informal exchange of information between the Parties in connection with mediation and settlement negotiations. The terms of the Settlement Agreement do not improperly grant preferential treatment to any individual or segment of the Settlement Class and fall within the range of possible approval as fair, reasonable, and adequate.

4. The Court therefore GRANTS preliminary approval of the Settlement Agreement and all of the terms and conditions contained therein.

PRELIMINARY CERTIFICATION OF SETTLEMENT CLASS

5. Pursuant to Federal Rule of Civil Procedure 23, the Court preliminarily certifies, for settlement purposes only, the Settlement Class defined in the Settlement Agreement as follows: All natural persons in the United States who used any website, app, or service made available by or through GoodRx at any point prior to October 27, 2023. Excluded from the Settlement Class are Defendant and its affiliates, parents, subsidiaries, officers, and directors, the Opt-Outs, as well as the judges presiding over this matter and the clerks of said judges.

6. The Court preliminarily finds that the Settlement Class satisfies the requirements of Federal Rule of Civil Procedure 23(a) for settlement purposes only: the Settlement Class is comprised of millions of individuals; there are questions of law or fact common to the Settlement

Class; the Class Representatives' claims are typical of those of Settlement Class Members; and the Class Representatives will fairly and adequately protect the interests of the Settlement Class.

7. The Court preliminarily finds that the Settlement Class satisfies the requirements of Federal Rule of Civil Procedure 23(b)(3) for settlement purposes only: the questions of law or fact common to the Settlement Class predominate over individual questions; and class action litigation is superior to other available methods for the fair and efficient adjudication of this controversy.

8. The Court hereby appoints Plaintiffs Thomas Hodges, HaleyRae Cannell, Danielle Benedict, Christopher Britton, Xe Davis, and Emily Hoza as the Class Representatives of the Settlement Class. The Court provisionally finds that the Class Representatives are similarly situated to absent Settlement Class Members and therefore typical of the Class and that they will be adequate Class Representatives.

9. The Court finds the following counsel are experienced and adequate counsel and appoints them as Class Counsel for the Settlement: Gary M. Klinger and Jonathan B. Cohen of Milberg Coleman Bryson Phillips Grossman, PLLC, located at 227 W. Monroe Street, Suite 2100, Chicago, IL 60606 and 3833 Central Ave., St. Petersburg, FL 33713, respectively, and Daniel K. Bryson and Patrick Montoya of Milberg Coleman Bryson Phillips Grossman, PLLC, located at 900 W. Morgan Street, Raleigh, NC 27603, and 201 Sevilla Avenue, Suite 200, Coral Gables, FL 33134, respectively.

NOTICE AND ADMINISTRATION

10. Pursuant to the Settlement Agreement, the Parties have designated Kroll Settlement Administration ("Kroll") as the Settlement Administrator. Kroll shall perform all the duties of the Settlement Administrator set forth in the Settlement Agreement.

11. The Court finds that the Class Notice and Notice Program set forth in the Settlement Agreement satisfy the requirements of due process and Rule 23 of the Federal Rules of Civil Procedure and provide the best notice practicable under the circumstances. The Class Notice and Notice Program are reasonably calculated to apprise Settlement Class Members of the nature of this Litigation, the scope of the Settlement Class, the terms of the Settlement Agreement, the right of Settlement Class Members to object to the Settlement Agreement or exclude themselves from the Settlement Class and the processes for doing so, and the Final Approval Hearing. The Court therefore approves the Class Notice and Notice Program and directs the Parties and the Settlement Administrator to proceed with providing notice to Settlement Class Members pursuant to the terms of the Settlement Agreement and this Order.

12. The Settlement Administrator shall commence the Notice Program within the time required by the Settlement Agreement.

13. The Court also approves the Claim Form.

Class Member's counsel has filed an objection to any proposed class action settlement in the past three (3) years.

17. Any Settlement Class Member who does not timely submit a written Objection in accordance with these procedures and the procedures detailed in the Class Notice and Settlement Agreement shall be deemed to have waived any objection, shall not be permitted to object to the Settlement, and shall be precluded from seeking any review of the Settlement Agreement or the Final Approval Order by appeal or other means.
